The Premises:

Discrete and comfortable flat in a residential block next to Warren Street station.

The Lady:

Ruby is tall slim and auburn haired, with really lovely breasts. Her photos on the website are a true likeness and her stated details factually accurate.

The Story:

I found Ruby to be an absolute delight. She greeted me with passionate kissing, and once on the bed we went through the whole range of erotic fun. I need not go into any details, suffice to say it was enjoyable from start to finish! She is intelligent, conversational and very good company.
