The Premises:

A private flat in a complex about a 5 to 10 minutes walk from Golders Green tube. I was surprised how lovely the area was, definitely a big upgrade on Whitechapel! A female flat mate let me in and was probably the same person who phoned and texted me.

The Lady:

A very petite & dark skinned Hungarian girl with pert B cup breasts and a lovely little bum.

The Story:

I enjoyed the session thanks in part to the discreet and pleasant location. We started with uncovered oral and that progressed to sex in the doggy position with me standing by the bed. The only downside was Roxy's lack of English. The session ended with Roxy giving me a handjob while I was still standing and me coming over her breasts.
