The Premises:

Commonly used block of flats on Queensway. The flat itself was adequate and clean with a working bath/shower. I don't remember mirrors, but to be honest Penny had my focus so there may have been some. The bed moves a bit which could cause wall knocking if you get energetic :-)

The Lady:

Penny is very pretty and very sexy. The pictures do not lie, she really does look that good and her body is a wonderful playground.

The Story:

Penny is a very pretty, fun and talkative lady. She met me at the door in a nice black short, strapless dress and looked good enough to eat on the spot. She speaks excellent English and knows what this business is all about. She greeted me warmly offered the usual refreshments and after the formalities I headed off to a solo shower. The solo shower was the low point of the meeting, as its nice to be accompanied and have the lady involved, but to be fair to her she'd only just arrived at the flat before I did. Anyway from this point on things improved. She is an excellent kisser and has good oral technique. When she slipped her dress off it was a real wow moment, next time I'm going to do that! Penny responds well to RO making all the right type of noises without sounding like a visit from Dyno-rod. Her skin is smooth and lovely and she was clean and fresh so I spent time enjoying a bit of exploration with lips and tongue, and she made appreciative noises to encourage me. Penny is very pretty and sexy standing still, but she also knows how to position herself and how to move to give really mind blowing views, I'm going to remember those visions for a long time. Anyway after some gymnastics that left me drained and literally weak at the knees it was back to a solo shower, I have hope she'll realise even when exhausted her body is a vision we'd like to gaze upon, and then with another kiss and cuddle from the, still naked, lady I headed out the door with a smile on my face. I'm still smiling. Penny is more GFE than PSE, or at least she was for me, but then that's what I'm looking for. She is the amazingly sexy woman you see dancing at a club and wish you knew how to pick up. I will, of course, return for a replay and to check I didn't miss any spots on my previous exploration. Go see her, play nice, have fun, but remember to leave an hour or two free for me.
