The Premises:

Usual Annabella's flat. Very clean and tidy. Discreet and private and fairly easy to find. Cheap parking nearby, or if you don't mind a walk free parking for 2 hours in Sainsbury's.

The Lady:

Absolutely lovely girl, quite tall and slim with perfectly smooth skin with no blemishes whatever. Gorgeous face and hair and lovely manicured hands and feet. In my eyes stunning !

The Story:

Originally had an appointment for 11am, but I was running late, which was entirely my own fault. This meant that I was going to lose about 10 minutes of my booking as Michelle obviously had another booking for 11.30. She was very understanding and suggested that I came back at 12 noon when she was free, so that I didn't miss out on my time. Lots of girls would just say it was my fault, which to be fair it was, and I would lose the time, but not Michelle. This just proves the type of genuinely understanding girl that she is. Also thank you to Annabellas for being so considerate.

Anyway, on to Michelle herself. I'm not going to give you every detail about the meeting out of respect for her, but as already described she is absolutely gorgeous looking in my eyes. She also has a very sexy voice and personality and she seems a lovely person with a genuine, kind, considerate nature. Nothing seems too much trouble and she genuinely likes to please you, or at least that was the case with me.

She seems to do all of her services as on her profile, but obviously at her discretion.

I have seen many girls at Annabellas, and they've all been good - some obviously better than others, but in my opinion Michelle is the absolute best yet by a mile !

Can't wait to see you again. D xxxxx
