The Premises:

Fourth floor flat on a main road out of Luton not far from the TC.

Discreet once inside but parking at the weekend has to be on the road, weekdays it will be much easier.

The Lady:

A much bigger girl than my usual punt, you might describe her as "ample"

The Story:

I was unable to get to my usual venue this at the weekend and having read a review of this girl and attracted by the price I decided to give her a go.

I made an appointment and was obviously the first of the day as she asked me to arrive in 30 minutes to give her time to get ready, nice and fresh I thought.

Having found a place to park, which was a bit public for my liking as I need to be ultra discreet, I arrived at the front door as she and called for the flat number.

4 flights of stairs up to the top floor, I'm not as young as I used to be!

Isabella opened the door dressed in a tight mini dress that showed off her round bum and tits. We introduced ourselves and I handed over the money. She left with it and came back I'm less time than I had to disrobe. One of my things is that I like to be naked and proud when they see me first as I am VWE.

On the bed and straight down to it, telling her what I wanted and getting my face into her pussy immediately. Nice and clean and smelling faintly of aniseed but tasty and very neat with little labia and nice clit.

After licking her out for a while I told her I wanted to fuck her doggy and she assumed the position.

In I went, well half of me did, very tight fit. I fucked her for a while until I wanted to cum and told her I wanted to look in her eyes as I enjoyed her. Onto her back and in again, deeper this time, "hey, don't break me!" She said. I love a tight pussy that I can fully fill.

After banging her hard I looked her in the eyes and squited a weeks worth into the condom, lovely finish.

She cleaned me up and we chatted for probably 10 minutes about her and her life in Romania, a bright intelligent girl and rather pretty as well.

I usually use Chinese, Korean or Japanese girls, small and slim, but she made a welcome change and I will go back for another go.

£30, well worth a punt.
