The Lady:

Peace is a petite, pretty Thai woman. She has a lovely face, very nice firm body, and has lovely tanned skin tone. The photos on the website and the personal details are very accurate.

The Story:

I have seen Peace once before, and she has a lot of positive reviews, so I knew what pleasures to expect. My anticipation was fully justified, from initial kisses to mutual oral to fulfilling intercourse - the half-hour just flew by too quickly! Peace has got the sort of body you just want to hold and kiss and take your pleasure with - which I did!
