### The Premises:

A flat situated off of Roman Road a few minutes walk from Bethnal Green tube. It was a large, clean room at the top of a flight of stairs.

### The Lady:

A young and busty Romanian girl, bra size 36DD. She was very friendly and her English was good.

### The Story:

I really enjoyed the session mostly because Julia's breasts were so big and firm with large areolas. I wasn't rushed and had plenty of time to relax and play with them. We had sex in the doggy position and finished with a slow hand job.
