The Premises:

They call it the retreat for a special reason – because it is.

The premises are very discreet, just three minutes walk from the tube and are in the basement of a nice discreet road.

They are immaculately kept and spotlessly clean.

On arrival I was offered a drink and use of a truly state of the art shower.

The Lady:

I have seen it said on this site that the pictures on a site don't do somebody justice.

When meeting Kate for the first time this was just so true.

I asked for red lipstick and black stockings, and the sound of her high heels walking down the corridor to meet me in the playroom was all part of the experience.

Kate is a stunningly beautiful lady ,with a warm and fun personality to match. Her smile could melt the arctic and I almost went weak at the knees.

She is slim but shapely and puts you at your ease the moment you meet her.

The Story:

The whole experience was sensational and frankly amazing.

Everything I wanted and more.

I am slightly hesitant to describe with Kate absolutely every detail we got up to – simply because

she is utter class.

Everything I had asked for from; tie and tease, toys, play and the grand finale was available and given with style, experience and in some cases humour!

Kate is a wonderful mistress a lovely lady, simply one in a million and I could not recommend her more highly.

Thank you so much Kate – I will be back soon. xxxxx
