The Premises:

Nice house by the big shopping centre in MK. Big bedroom on the top floor which was a little bit cold! Plenty of parking nearby.

The Lady:

Extremely slim - there isn't a single bit of fat on her body! Approx 5 ft 6 tall. Nice looking young lady with a great pair of firm natural breasts. Speaks ok English - its now a lot better than when she first came over to the UK. She is 18 and about to turn 19 in February. Does not do CIM or anal.

The Story:

Serena is the lady I have seen the most at Annabellas and I have enjoyed every session with her.

On my latest visit she greeted me very enthusiastically with a smile, hug and a kiss. Didn't take long before items of clothes were removed and we were on the bed kissing. Serena proceeded to oral without (note - she does like to clean off your penis with a wet wipe before starting oral. I don't have a problem with that and can understand why she does it).

After that had sex in various positions. Serena has always agreed to any position I've suggested or wanted to try with her. She's quite tight and has given me some fantastic orgasms.

After I was completely spent we had a good time relaxing and talking about her upcoming holiday.

All in all a nice young lady who I recommend seeing. Oh, I should also say she gives a great massage which is well worth trying as well!
