The Lady:

Gorgeous brunette, early 30's, very exotic looking as she is brazilian. Very sexy speaking voice she had that jennifer lopez killer curves all in the right places.

The Story:

I was shown into a very large room with a super king size bed. Immaculately clean and lovely fresh clean towels, the receptionist was also a lovely lady who offered me a drink etc. All i can say of my experience of Renata was mind blowing shes a latino lady, who speaks excellent english! she certainly knows how to treat a man and made me feel very special. I would definitely recommend her services without hesitation, shes all woman with a bootilicious figure but still very toned and is very effortlessly sexy. Its my second experience at soft touch, but guys if you're looking for a beautiful experienced lady with good conversation and a well ran more luxury establishment this is the place i would recommend.
