The Premises:

It's OK to find by car with help from sat-nav.

On street parking in a small parking bay which is perfect.

It is possible to walk there from city centre but not for me thanks.

Inside, spotlessly clean and tidy.

The Lady:

She must be one of Birmingham's best kept secrets.

Stunning, mid-twenties, brunette. Small firm boobs. Gorgeous black eyes and pretty face. Very fit lady in every sense.

The Story:

Christie was interested in what I wanted. She seems to instinctively know how to provide a good service. She also seemed to enjoy what we were doing.

Also, amazing personality. We had a lovely chat afterwards. I am not into phone chat but if that is your thing, give her a call, sexiest voice ever.

All activities were covered.

Treat this girl with respect and you will go home with a smile on your face.
