The Premises:

Convenient location very close to Warren St Station. Flat and room is fairly basic but okay enough for the purpose.

The Lady:

Megan is said to be Dutch though she has more of a Latina look about her. Facially reasonably attractive, brunette in her late 20s by my estimation. Is busty and has a fine pair though is also slightly podgy. I do think HODs photos are generally better than the actuals which is a little frustrating not to mention unnecessary as we're honestly not expecting supermodels at that price and to be fair all their girls are generally good looking (with some stunners but also some plain girls) and a good default option for visits to London (it is certainly mine).

The Story:

Greeted by the friendly maid and taken to the room. Megan appeared a few minutes later and sorted out the paperwork. I am sure I gave £80 and did not get any change (and as it had been a while I was unsure what the price was but looking at their website it states £70 for 30 mins). Service itself was fine, with her giving some foreplay and proceeding to deliver a nice blowie (owo) and finished with a HJ - I wasn't in the mood for anything else. Probably finished within 20 minutes and she offered to give me a massage for the remaining time but as I was in a rush I did not take up the offer.

Overall, a decent enough experience but nothing special.
