The Premises:

Walking distance from rail station. Plenty of free, pay and display and residential parking that's restricted between 9-10 and 15-16 hours. Safe and quite neighbourhood although location is on a busy main road. First floor flat in a Detached house with side entrance clearly marked. Easy to find, good comms in finding address sent via text. The room was warm and clean.

The Lady:

Carla is dark haired vixen. Tanned, fit body with yummy tits. She is in her 20s and around 5 foot tall.

The Story:

A let down from another provider got me calling the red room number. After initial call, text received with postcode, road and number. Made my way and was indoors in minutes. Now, have you ever had the door answered by the "madam" and thought "hmm you are gorgeous, wouldn't mind a bit of that" well Carla let me in dressed in tracksuit bottoms and a cardigan. She showed me into the room and I waited for introductions (I hate this part of choosing) but she came in stripped into a lacy bra and thong along with a tall slim girl but I had made up my mind.

Went with Carla and glad I did, she massaged my stress away, slipped on cover and blew me for long then cowgirl and oh doggy to finish off! She is sexy, knows how to please a man
