She was definitely the lady in the pictures - looked great

The Story:

I have been using La Maison, but GFE opened showing some great looking girls, even though a little more expensive ... you get what you pay for was my thoughts

Met Julia, she looked like the photos, so no complaints on that score, but the "experience" was shocking ! She has a great set and when she started to go down on the old fella I wanted to have a feel ...NO she said - Initially I thought she was joking, but she wasn't. Trying to focus on the job in hand I asked her to climb on which she did - again, no touching... she asked me how I wanted to cum (rather early in the date for that !) I said on her boobs - she said no way. I said that the website had said this and many other things were possible - she said she did not control what was written on the website, but she did control where people came !

I asked her to get off and left inside 20 Mins

Wish I had not paid up front - £55 Full GFE is an extra £10 on top of the standard £45...

The reception had a few people milling around so I did not want to complain - wish I had, but vote with me money and feet - wont be going back to see Julia any time soon...
