Nice place, unmarked doorway entrance on busy shopping street. Friendly and welcoming staff, clean and well presented rooms

The Lady:

Well perfect photos like the profile can mean one of two things - a perfect looking girl or something else. Jess is something else, the only accurate things about her photos is that she is a woman, tall and blond everything else is either old photos or a busy time on photoshop

The Story:

Jess came in the room wearing a black leotard and top, long stockings legs. Got the paperwork out of the way but then no kissing (despite DFK on profile), offered a massage which when on for ages when she eventually took her top off and rubbed her boobs up my back, did this dirty talk thing the whole time. I then turned over and she said that it would be covered oral today (not sure what happens on other days?) despite OWO on her profile. Swapped into 69 but mainly "hovered" out of reach. Did lots of oral and then tried to wank me off. I suggested that we got down to it and she then demanded a condom swap. She used tons of lube and by that time finished quickly with me on top, she couldn't wait to get me off of her. Another massage followed with a chat.

Overall a disappointing punt, never felt Jess was engaged in the session, nice enough girl but wouldn't waste my money on another visit.

Don't like to write bad reviews but why post inaccurate photos and have a profile with things you don't do - GFE, PSE, OWO, COB, Facials, DFK, DT???
