The Premises:

Topaz is located in a private house in Oxford Street, Morecambe. Entry is via back gate from rear alley, house number is 6.

Ring the bell at the door to be admitted by receptionist who will offer you a hot or cold drink.

You will also have the opportunity to see the girl before deciding whether she is suitable.

The receptionist takes you upstairs to the room which is warm and cosy with a double bed, fixed pole for dancing and a mirror alongside the bed to view yourself and the girl in action.

The Lady:

Honey is white, is in her late 20s or early 30s with long blonde hair and massive tits and is about 5' 4" tall. She entered the room wearing a flimsy white and red bra and matching panties.

The Story:

I paid her and then we had a standing kiss, cuddle and fondle before she lay me face down on the bed. She removed her bra and panties and straddled me and gave me a very good massage. She then rubbed her massive tits along my spine and turned me over. We had a great time sucking her nipples whilst she massaged my cock. I then went down on her juicy pussy and she was very responsive and vocal. She came as I sucked her pussy and got a mouth full of her juice. She then placed a condom on my cock and unrolled it with her mouth. I then entered her lovely pussy and was amazed where her legs went to!! When I came she asked me to stay in and cuddle her. She was happy to relax with me still inside her. When my cock softened I withdrew and we chatted whilst we dressed.

Honey is a lovely friendly girl who clearly enjoys her work and likes her clients to enjoy her.
