The Premises:

Fairyspells is located off a side street, usually quiet but the doorbell is broken at the moment and I had to wait a little while to be let in. Rooms are small but clean and warm.

The Lady:

Chrissy is in the 40's but don't let this be a put off, she is very attractive, slim, great body and large breasts.

The Story:

I had to wait about 20 minutes to see Chrissy but the receptionist made this clear when I arrived and I was happy to wait. I am glad I did. When she walked in I was very happy, like I say she is slim, attractive and she definitely knows what she is doing. A quick chat and then down to business. I told her about my like for some anal fun but also my inexperience. She used some anal beads on me (brilliant for a novice) and then a smallish vibrator. I really enjoy this as it was extremely pleasurable and not painful in the slightest like I have had with some other girls. A good blow job (covered) and a wank with the vib in my arse to finish. Chrissy talked to me throughout and I will definitely be back to try some of her larger toys and maybe a bit more on the domination side.
