The Premises:

Pre-Match Comms. Excellent, and she even gave me her full address so I could assess the parking via Street View.

Her Place: A good sized semi though in a dense area so, in an evening, the parking is such you may need to walk a while. So much for that research! The bedroom was comfortable and space to park my clothes

The Lady:

Description: The pictures on AW are truthful. She has an excellent figure, again fairly described on AW. Oh yes! the nipples. I've never seen such big ones except perhaps in the days when the National Geographic Magazine sent photographers all over Africa seemingly in competition to shoot the biggest. I'd certainly never licked and gently fingered such masterpieces. What I wasn't expecting was that Sadie's grew even bigger when she is aroused. I must add that Sadie is a highly intelligent lady, interesting to talk to as well as attentive and responsive.

The Story:

Review: We enjoyed a lot of kissing and cuddling before indulging in sex (protected) in a range of positions. I love to give reverse oral and rimming and I was rewarded, after a bout of tongue attention to her clit, by its swelling greatly and then a gentle shuddering and breath-holding orgasm on her part. There followed a session of doggie and lying-down doggie (which we both enjoyed greatly). After that it was time to have another go at an orgasm for her – which didn't quite reach the point and then an assisted wank for me which did. "Shoot your cum over my tits" she said. "Shoot" I said, "Not a chance. These days it's just a dribble*". It was a good one though! Then time to get dressed and go. Sadie was much impressed by Uncle's Sloggi for Men Tangas which she'd not noticed when I shed my clothes. "Does my cock look big in these" I said. "Yes, but not as big as earlier" she replied with a grin. Just love her sense of humour.
