The Premises:

As previously described, Annabelle's is perfectly fine.

The Lady:

Keleigh is stunning. A perfect body and very good looking. Her photos don't do her justice at all.

The Story:

Keleigh came into the room and we had great banter straight away (especially about the fact that I don't do punternet reviews until now! You see Keleigh, I did it!). She performed all the services listed on her page and seemed keen and eager to please. She also enjoyed being licked and played with too. This lady is a cracker and I hope to see her again sometime.
