### The Premises:

The flat is located about 3-4 minutes from the underground station, was easy to find, just off busy road. The flat is clean well presented, loads of mirrors, comfortable and relaxing atmosphere, music was playing on the background.

### The Lady:

Stunning lady, very attractive. The first thing that I thought when I saw her was: "WOW! What a figure! I definitely picked the right girl' tight red dress was perfectly showing her great figure, slim, waist, perfect boobs C size, long blonde hair cascading over her shoulders right down to the waist, and unbelievably beautiful model like face!

### The Story:

Angela met me with a big friendly smile and a passionate kiss. She showed me to her bedroom, asked me if I would like to have a shower and offered me a drink. After a glass of wine and a short conversation everything happened so naturally... she teased me with her hand brushing my leg and chest while kissing me passionately in front of the mirror. Then she kneeled down and pulled my trousers down...

I think I had the most amazing bj ever performed on me, she also is very good at kissing.. loads of DFK followed by OW and CIM.

Second round was even better. She picked a couple of toys and played with herself while performing oral on me. we tried several different positions until she made me explode like a volcano.

At the end of session Angela offered me a massage, but I have kindly rejected as was scared to fall asleep after long day at work and such an intensive session in the bedroom.

Highly recommended! One of best ladies I have seen in a long time.
