The Lady:

Gemma is even better than her profile pictures. She's a very attractive girl with an incredible body. Lovely firm pert breasts and an absolutely knockout bum. I'm a real ass aficionado and even I had to take 5 minutes to just admire her, it really is that good.

Gemma also came across as a nice and friendly girl. I had caught her on a busy day (one the agency's advent girl days) but she never gave me the impression it was a chore. We had a good conversation as we did the paperwork and as we undressed and when we had finished.

The Story:

Gotta say, it was a spur of the moment punt and was lucky that I had managed to get to see Gemma on her advent day girl. Gemma came into the room with a big smile, great attitude and wearing a lovely one piece which showed off her incredible body. Some light kissing and then onto undressing. She seemed flattered with the attention I was giving her arse and happily obliged. Back to kissing, which became more passionate and then I threw her onto the bed and started working my way down to her pussy. She enjoyed the RO but stopped me short at fingering. She then returned the favour, OWO, before we moved onto sex. Mish, doggie and cowgirl with lots of passionate kissing throughout. As we were approaching the 30 mins, I asked if she would finish me off with a BJ. She duly obliged but asked me not to CIM, as she didn't do this.

As we were dressing, we chatted some more about her generally. She probably says this to all of her punts but it was nice of her to say how I behaved like a real gentleman and treated her nicely. I think this is crucial, to make the WG feel like she isn't a hooker but make her feel like she is your GF.

Gemma is very highly recommended and I will definitely try and see her again.
