The Premises:

Easy parking next to her apartment block. Spotless apartment, comfortable bed and furniture.

The Lady:

Pia was wearing a nice dress, matching black bra and knickers, black stockings and suspenders. Blonde, mid 40's. Magic hands and sensual lips.

The Story:

I like to bring an escort a token gift, and after gift and cash exchanged into the bedroom. I sat on the bed, Pia knelt in front of me and began kissing. She loves kissing and is very good at it. She began undressing me, as my hands were under her dress and caressing her bum.

At some point we were both naked, at another point, we were kissing, as I discovered Pia's G spot. A very nice discovery for both of us.

Lots of oral, more kissing and finally COB.

Pia is just how I like an escort, intelligent, sensual and a very skilled practitioner of the sexual arts.
