The Premises:

Room in a shared flat. Building/flat has seen better days, but location is very good - just a few doors down from the Warwick Rd entrance of Earls Court tube.

The Lady:

Pretty close to photos, although she had little or no make-up on and tbh, looked better for it. She is tall, super-slim, with good skin. She is very friendly, confident, with a nice smile and a good sense of humour - put me at ease straight away.

The Story:

Her place was easy to find and I was pleased to see that she was pretty close to the photos, but with less make-up. Polina is a very friendly, smiley Bulgarian girl and that made for a good GFE.

After a quick shower and brief chat, she stripped off and got straight on with a great OWO before moving on to cowgirl, doggy and mish. She wasn't particularly responsive, but didn't have any of the silly rules/do's/don't that some girls do so it was all pretty relaxed.

Ridiculously squeaky bed was slightly off-putting, but didn't seem to bother Polina - her neighbours must either be deaf or also working girls so clearly not worried about it!

I didn't try for round 2 but am pretty sure it wouldn't have been a problem as she wasn't a clock-watcher and seems to enjoy what she does. All in all, I can't say what she would be like for an especially demanding punter but for my relatively vanilla needs, she was ideal - a lovely fun girl with great English and sexy body. I hope to pop back and see her again.
