The Premises:

Beautiful basement flat near Victoria very tastefully decorated and was nice and cosy. I loved the ambience and vibe of the place

The Lady:

Valentina is what dreams are made and is absolutely gorgeous . It is such a privilege to spend some quality time with her! I will admit I fell in love with this gorgeous girl with blonde hair, light brown eyes with lovely lashes who was dressed perfectly for the evening. I thought I was dreaming :-)

The Story:

Came in on a Sunday evening and spent considerable getting to know her by kissing and exploring all over. I spent a great deal of time downtown in around her exquisite 'gateway to pleasure' and enjoyed multiple helpings of her juices which was fantastic. Went on top and completed successfully after which we spent a while beyond allotted time chatting and cuddling! Absolute GFE and 6* service and personality :-) will definitely repeat multiple times
