The Premises:

Well known hotel in the centre of Stevenage with plenty of options for paid parking in the area. Clean, fresh and no key cards required.

The Lady:

Profile photos are genuine. Slim and petite, almost gymnast like in frame with a great pair of enhanced breasts. Much prettier in real life with a lovely friendly smile. Well presented with a lovely friendly personality.

The Story:

Anastasya met me at the door and we quickly cleared the paperwork before engaging in some passionate kissing. She has lovely soft skin which was fantastic to the touch as we explored each other's bodies. It was extremely pleasurable to explore her clit and her lovely tight pussy whilst she whispered into my ears for more.

Anastasya returned the compliment with a fantastic OWO blowjob that nearly pushed me over the edge. She then expertly slipped on a condom and gave me a fantastic view of those breasts whilst she rode me over the edge of ecstasy. Penetrative sex is covered at all times, she will not accept any clients who request bareback for the obvious safety reasons which I was really pleased to hear.

Whilst we laid on the bed and caught our breath, I found her to be as just as pleasurable to talk to. Her command of English is great and you feel really at ease conversing with her. Anastasya is clearly a fiercely, intelligent, independent lady who prides herself on giving a great service and having a great time whilst doing so.

I had a wonderful time with Anastasya and her premium price is matched with a premium service. She regularly tours the country just to keep one step ahead of the competition so catch her in a location near you soon!
