### The Lady:

Her pictures show her as blonde but hair is now darker. Nice body as described

### The Story:

Arrived a had a shower before she arrived in the room. Very pretty looking girl good body.

Started of with RO on her but found that she does not allow full penetration with tongue only licking clit which was disappointing. Then moved to attention on me  
found out that she did not offer OWO only OW she said was at discretion but not shown on website  
- very disappointing and does not do face sitting. That said she did give a very good BJ with  
followed by sex with her on top. She was nice a tight and a good fuck.

Had a good time with her but would not return as I like OWO, RO & Face sit which she does not do.
