The Story:

In she walked with a smile wearing a fishnet body stocking/suspenders combo - I knew this was going to be good.

Marissa sat me down on the couch and kissed me whilst gently writhing on my lap. She kneeled over my lap on all fours and let me stroke her all over and squeeze her perfect ass. We chatted as we played with each other and then moved to the bed where Marissa gave me a nice massage.

Next she bent over and invited me to bury my face in that ass before she turned over and moaned as I licked at her clit. On with a rubber and marissa gave me a great BJ, constant eye contact and a great trick where she flicks her tongue against the shaft working her way from the base all the way to the tip. Before long I came hard as beautiful Marissa wanked and sucked the life out of me...

We lay together and chatted for a while and I let myself relax in her arms, a few minutes later I decided to try round 2, in only a minute or 2 she had me rock hard again and rode me reverse cowgirl, followed by facing me, while I squeezed those solid breasts. Without withdrawing I sat up and then stood carrying her weight on my cock - she is so supple this is no problem - I turned round so she could put her hands behind her on the bed while I fucked her standing up and holding her up in the air. Lovely doggystyle followed, I thought we might be running out of time so I decided to go for it and pumped harder and harder until I came. Silly me I still had 15 minutes and could have lasted much longer but Marissa gave me a lovely cuddle followed by a massage and I went on my way.

I just wish she hadn't had another booking as I would have doubled my time with this lovely girl.
