### The Premises:

Nice apartment in Milton Keynes City Centre, very clean and well maintained, parking can be a little issue if you're rushed for time or it's a weekend.

### The Lady:

I personally don't think the photo's do her justice, much prettier than some of her photo's suggest and they're nice! Small girl very confident with her body. Was wearing 4/5 inch Christian Laboutins with a lace purple bra and frenchies.

### The Story:

We had been calling Annabella's all week and booked to see Tina for a threesome MMF. our appointment was scheduled for an hour but non-stop traffic and parking became an little issue therefore we arrived over half hour late. Tina answered the door (politely, but a little annoyed as we were soo late). This was the first time we had seen Tina and instantly realised we wanted more than the little time we were left with.

Tina had said it was her first MMF ever as no one usually has the courage to make it happen. My friend and I are personal trainers and we could tell Tina was physically attracted to us. She got on her knees and took us both in her mouth OWO with eye contract throughout even looking at the other guy. I then lay on the bed whilst receiving OWO and my friend taking her doggy style over the end of the bed. Her technique was amazing with lots of saliva and spitting down my shaft whilst her eyes rolled back from the penetration from behind. After a while we swapped, she took my friend in her mouth (removing the condom first) and let me take her doggy. Both of us are very well endowed and she did her absolute best to take the length and girth but she needed a little time out from time to time (which we all joked about) Lots of various positions unfolded during the course of the session with numerous condoms coming and going as she maintained OWO. She was very keen to try and deepthroat as much of our penises as she could, measuring how much remained outside her mouth. She also allowed us to face fuck her and get quite physical which lots of girls don't allow.

Either Tina is the best actress ever or she was well and truly feeling the hard session, the best thing

is that never did she ask us to slow down or be more gentle, everything and anything was on the cards and taking place, which lead to us eventually climaxing inside the condoms. Once we had finished we lay there with Tina well and truly exhausted. She has said that next time she would do Double Penetration with CIM or a facial.

We clearly went well over our 20 minute time limit but Tina didn't check at any stage. Absolutely will be re-booking Tina.
