The Story:

Another very enjoyable tantric massage on a massage table with soothing music playing in the background. Sophie was wearing a white tee-shirt without a bra when I entered the room and I could see her nipples pushing through. The massage was light and arousing and when I turned over her breasts were exposed. I enjoyed fondling them, but sucking her nipples wasn't allowed. The relief was very enjoyable and Sophie turned her back whilst milking me over her breasts. That was a shame as I would liked to have watched that. I had a shower afterwards and made my way home.
