A short, cuddly lady who closely matches her photographs

The Story:

After a short while chatting to put ourselves at ease, it was down to business.

Starting with oral (covered) which was outstanding, and then I returned the favour which seemed to go down well.

Once I had had my fill, it was time for the main event in a variety of positions, resulting in a thoroughly satisfying ending.

To wind down I was offered a massage which I gratefully accepted, and left me in a very relaxed state.

A lady who is well worth visiting, and once I hope to see again very soon.
