The Premises:

Well established parlour on main street, just walk in to be greeted by helpful maid. Nice and clean , showers in every room.

The Lady:

IMO Toyah is more attractive in the flesh, she is dark, delightful and delicious. An interesting conversationalist and good company. She has a couple of discreet tattoos and an interesting nipple piercing.

The Story:

Toyah entered the room, albeit 15 min late desperate to make up for lost time. A session of DFK on the bed was followed by Toyah frigging herself off with her toy while I was immersed in those luscious titties of hers , this concluded with her bringing herself off to a noisy climax.

Onwards and upwards Toyah worked her way down my body to give me some of the best OWO I have ever had, I then returned the favour then on to sex on several positions, finalizing with a nice wet BJ and CIM.

After I had recovered We lay together like an old married couple, I found her wonderful to talk to , as we chatted about our families like we had known each other years

Overall a delightful punt with a girl who provides everything on her service list and more.

Ten out of Ten Toyah, get your tongue around that. !!
