The Premises:

Routine place inside and out.Very pleasant welcome by Thai lady.She asked if I wanted 'everything'.I said yes not being sure what that would mean.

The Lady:

Typical small,pleasant Thai lady.Mature, which suits me.

The Story:

Undressed and laid on the massage table.Pleasant massage while the lady remained fully clothed.She was concerned I might be cold.This was soon taken care of when I turned over.She undressed before giving me a hand job.Got her on the bed and brushed up on my oral skills before she parted her fanny lips and instructed me to 'stick your cock in there'.

A good time was had by all.
