The Story:

In a word - BAD. She was in/out in 45 mins despite it being an hour booking. Downhill from very early on when she very quickly put the raincoat on for oral. The oral was less than sensual and she jumped on board ASAP to fuck me. She was in a rush, with a clear target of a quick ending. All the vibes were wrong. Despite quick first round, it was clear no second round would be on offer. I contacted the agency who said they couldn't comment on the services offered by individual girls. I should have followed by instinct on this because I booked another girl who I was told was 'adventurous' for the following night. Again no OWO. Another issue with the agency is the photos on the website. They bear no resemblance whatsoever to the two girls I met. Avoid!
