The Premises:

The place was very easy to get to as it's right next door to Warren Street tube station. The shower facilities are very good there and the lady who answered the door was very friendly and polite. It's a nice clean place that I have been to on many occasions.

The Lady:

Parissa is a tall beautiful Polish blonde, mid to late twenties perhaps, who ticks all the boxes as far as I am concerned. Her body is amazing and she has the most fantastic toned legs that go on forever. As for her bum, it's the most perfect thing you will see!

The Story:

After having a shower, Parissa came in the room and quickly undressed. I have seen her six time before and she is always smiley and friendly, and as far as I am concerned, the best girl in London in this business. After a few minutes of perfect OWO, we had a lovely 69. Then on with the condom and a few minutes of sex in the missionary position. Parissa then requested that I take her from behind and after a few minutes she came. Words can't describe how good this was for me. Parissa is a girl who enjoys sex and I have never had a bad time with her. I keep coming back to her! As we neared the end of the session, it was my time to climax and I did with some nice CIM. While getting dressed, we engaged in some nice chat and she is a really funny girl. You won't find any better in London and I highly recommend anyone thinking of visiting her to do so. You won't ever regret it! I'm already looking forward to my next visit to see her.
