The Lady:

As other reviewers have pointed out she doesn't look much like the photos on her profile but these aren't particularly revealing anyway. In fact I got a nice surprise when I met her in the flesh. She's medium height, a brunette, has an attractive face, nice eyes and a really sexy, curvy figure - larger than her profile photos would suggest but not too much, with largish full breasts and a squeezable derriere. She was friendly, outgoing and took the lead, which I liked. She has a nice Spanish accent but speaks very good English.

The Story:

She came in wearing a fetching red bikini which showed off her ample assets. Will not go into details about what happened next but suffice to say I had a great GFE and wish I'd booked her for more than half an hour. Her photos need updating but in the meantime look at the current shots on Annabella's Twitter page - they're pretty accurate although she's more appealing up close and personal.
