### The Premises:

Easy to find, plenty of good cheap parking, place itself is clean and hospitable.

### The Lady:

Blond, tall, and thin with a really pretty face - looks 9 or 10 out of 10. The photos on the website with the full make up and hair, actually don't do justice to what a naturally pretty girl she actually is.

One line of tattoo writing between the shoulder blades. Small (but lovely) A or B boobs. Good spoken English.

There are some candid photos without photoshop on their Twitter feed which give a very good impression.

### The Story:

Description of her services is straightforward.

OWO to start. Not deep, but well performed and carried on as long as I wanted. Some 69, followed by a couple of standard positions - her arse is an absolutely spectacular view in doggy. I had intended to go for CIM, but fucking her whilst looking at her pretty face I changed the plan.

Absolutely top quality session with one of the prettiest girls I have seen in MK.
