The Story:

Was in London for a while and needed a quickie, found Rosaly on the website and she's my type of woman. Dark features, tanned, curvy. Thankfully she looks like this in real life too.

She was very smiley and friendly when she greeted me. I was delighted to see she was dressed in a sexy dress and could see her lingerie through her outfit. We kissed for a long time which was very hot, and she was very enthusiastic in pulling her clothes off.

Great breasts revealed!

She gave me oral sex without a condom for a while to get me hard and I reciprocated by going down on her. Rosaly has a very nice pussy.

We fucked in a variety of positions and she was telling me to fuck her harder which was a big turn on for me. By far the best was doggy style, when you could see her amazing asshole winking at you. It did seem after a while that she had got a little bored or tired, or lost some enthusiasm, but maybe I was over thinking it? Her phone did ring a few times, but she let it go - maybe she was thinking about that?

I don't know. But she was enjoyable. Eventually I came on her breasts, she laughed then quickly went to the bathroom to clean it up. It was kinda sweet.
