The Lady:

Pixie is greater than the sum of her parts. She is no knock out looks wise and doesn't possess a killer body, and is starting to sag a bit. She does however have eyes the colour of chocolate buttons that glint mischievously when you look into them. And she loves dominating men and having her way with a guy's cock.

The Story:

Pixie immediately informed me that she was gonna make me her bitch. I asked Pixie to try and break me so she whipped out a dildo and gave my bum a good, deep fucking whilst telling me that I was her slave. When Pixie pulled the dildo out of my bum I got on top of her and pistol whipped her face with my cock and asked who the slave was. Her response was to give my balls a squeeze causing me to tap out and admit defeat. Thus she ordered me to lie on the bed so she could get into a 69 position. Pixie said I was a good boy for eating her pussy and as a reward she would allow me to fuck her. Which I did. Obviously. Duh!

Pixie is an excellent companion who clearly loves sex. Top girl!
