The Premises:

Clean & functional room in a hotel close to Tottenham Court Road tube station.

The Lady:

Friendly English girl with a pretty face and gorgeous blue eyes, v similar to her purple site profile. Plus size girl with the boobs bigger than Louis van Gaal's head. She was wearing a black silk dressing gown & smelled divine.

The Story:

The first time I have ever punted via AW. We spent the entire half hour lying side by side, with me fucking Sophie's tits and she licking my nipples. I came with a splash all over her tremendous chest.
