The Lady:

Very attractive Latina, her pictures are authentic, I used the number to contact Angela on watts up and she sent six photos and when we met the image was perfect curvey and friendly and 23 as stated.

The Story:

On entering the room I was greeted by a warm and friendly hug, she just oozed with passion, as stated she has three years experience in massage, I would have loved to lie on her table but opted for the settee and a full service, she wiped my manhood with a cleansing wipe and continued to suck me off for an eternity OWO, she sucked my nipples and played with my dick with her right hand. After some time she used a condom and sat on my dick, she had such a tight pussy I almost shot my load so I hugged her tight and sucked on her nipples for a long while. She offered Anal and I could not resist as she had the most perfect curves sand after an enjoyable in and out I burst my load as she jirrated back and forward on my dick, she moaned and groaned and enjoyed every moment of our experience, I can tell as I manipulated her clit and she was moist and squirting. We finished and cleaned up and sat talking . There was no rush to leave. Great lady,one of my best punts
