The Story:

Kendra was extremely attentive and genuine, whilst always being professional. She put me completely at ease before getting straight into what I asked for.

She gave a GFE without it being demanded or expected while at the same time being slutty and dirty.

The BJ was amazing, helped by her imaginative use of the stockings that she wore.

As for the sex, she showed me positions in the car I'd never even thought of.

There was no opportunity for shower before or after due to where we met but she had already planned for this with sufficient hygiene wipes and sanitiser, maybe a little thing but really showed the thought she put into the meet.

It never felt like she was watching the clock and the timings were perfect with nothing feeling rushed or like it had been added in to fill out the hour.

I would thoroughly recommend Kendra and will definitely use her again when I am back in the North.
