The Story:

Trinity is a beautiful lady and our meet was at a hotel in London which was just like her, classy and discreet.

We spoke for a few minutes in the bar where she explained how she liked to do things, but it didn't feel business like at all and in fact,

made the time in the room even more enjoyable as there was no business talk once we were in there.

She was dressed incredibly classy but underneath was wearing truly sexy and slutty underwear, think Lady in the street, freak in the bed.

I showered and she joined me, getting me ready and talking dirty so by the time we were out the shower we could start.

She had brought condoms and let me put on and then simply fucked me everyway I wanted.

She is incredibly flexible and contorted herself around me in multiple ways.

I lost track of time, always a good sign, and when I came she attended to me to clean me up and then gave me a shower as well.

This lady is amazing and although slightly more for an hour (£160) it is money well spent.
