### The Premises:

Unit 8 is hidden away on an industrial estate close to the Parkway dual carriageway. It has its own parking. It is a clean and pleasant parlour with pool table, sauna, walk-in showers etc. The room was very pleasantly decorated with low lighting and the bed was comfortable with clean sheets and pillows. I went for the gfe which is extra.

### The Lady:

Yana is a slim, blue-eye blonde about 5ft 8in in bare feet. I'd say she was a firm C cup and has smooth skin and a wonderfully curvaceous bum. She comes from one of the Baltic states and her English is excellent. I would put her at around the late-20s and I think she is very attractive.

### The Story:

Yana is a very sexy young woman. She is extremely tactile and was very open to french kissing. Once in the room we spent time vertically kissing and fondling before stripping and getting on the bed for more kissing, stroking and gradually I worked my way down for reverse oral which was a joy. Nice to see a woman with some hair down there even if only a brazilian. She tasted sweet and seemed to respond whole-heartedly to my efforts. Then it was my turn and she slipped down the bed to gradually take me in her mouth, also paying lots of attention to my balls which she licked and sucked. Then she was taking me all the way in - how does she do that without gagging - not that I'd claim to be above average lengthwise. She was very slow and built me up to a climax that had me coming in her mouth. As she kept licking and sucking me I can only imagine that she swallowed. It didn't matter that we didn't get as far as sex this was much better as I'm not good with condoms at the best of times. As there was still time on the clock she gave me a very professional and relaxing massage while we chatted to each other. It was a first rate experience which I hope to repeat before too long.
