### The Premises:

Mae works at a Chinese massage place a very short walk from East Croydon station. It's a flat above a shop. Discreet doorway, kept unlocked, so no awkward hanging around on the pavement. You walk in, straight up the stairs to a smart reception area. There are two treatment rooms. Mae worked out of the smallest one -- very clean and with a full working shower

### The Lady:

Very pretty slim Chinese girl. In her twenties, but looked a little older when the clothes came off, but not in a bad way. Short fluffy black hair, small breasts, long nipples, lovely flat stomach, cute bum and legs. Great smile too.

### The Story:

Very sensual massage. All the girls are different in this establishment - no two give exactly the same service.

Mae gives a softer massage than some of the others here, but she accompanies with lots of lingering swipes between the bum cheeks and ball-cupping almost from the moment you're on the table. It's very erotic.

After half an hour she asked me to turn over and went to work on the legs. There was no pretence. She soon asked if I wanted B2B, stripped off completely and then proceeded to do a very erotic routine - gently blowing and nibbling my feet, calves, thighs and finally my balls and shaft. Just tiny butterfly kisses. Didn't get the impression there was a full blow job on offer.

She then doused me with oil and began rubbing her tits up my legs over my stomach and thighs and cock, nibbling my ear and so on before parking herself at the end of the table with her thighs spread so I could see her pussy. She then started massaging my cock, staring at it intently, giggling and telling me how huge it was. It's not. But I am happy to be bullshitted. It all adds to the excitement.

After a few minutes Mae straddled me and ground herself on me. At one point, I almost panicked and thought I'd slipped inside her. It was that intimate. Finished off with me licking her pussy while she face-sat me, then her wanking me off while I had two fingers inside her sopping wet pussy and

a thumb circling the clit. She made a very good show of panting and moaning, before I exploded over her tits and stomach.

I've yet to have a bad experience in this place. But I'd say Mae is the best so far. A really cracking erotic experience. I genuinely wonder, though, how long before some of these girls starting doing a full service. They'll make a killing if they do.
