as previously reported.

The Lady:

Blonde, Brit, 20 something, above average height, tight body, curvy body shape, large enhanced breasts, fully shaved between the legs, prettier and fresher looking than I was expecting from her photos which I'm pretty certain are of her.

The Story:

Another lady whose been on the must see list for a while until I managed to synchronise availabilities. Greeted with a fk and there were lots more in our time together. Owo, fingers inserted and covered intercourse in missionary and cowgirl were the other highlights. A very pleasant experience.
