The Premises:

The venue, apartment block near city centre. One of 3 locations Annabella's have. I prefer this one, modern and en suite shower.

The Lady:

Heather is just like her picture, beautiful, busty, British blonde in her 30's. Around 5ft ,5. She came in dressed as an air hostess and we were soon flying!

The Story:

We re-introduced each other, this was my second visit to see Heather. I was on a high so much after the first, that when I left I turned the wrong way out onto a one way street. This time my driving was ok, before and after, but managed to spill my cash everywhere when Heather walked in.

A few lines of whispered poetry into her ear, and then we were kissing, with my hand moving to her bum.

Soon the clothes were off and onto the bed.

Heather's oral skills are outstanding.

I thoroughly enjoyed myself.

She is also very, very funny, great sense of humour and a great story teller.

This time we discussed places we both had been to in London that served English food.

I have promised to bring one of her favourite foods to my next booking.

Only reason, I did not write this before, is because, I can not submit 2 reviews on the same provider in 6 months.
