### The Premises:

A great clean establishment, well written about many times before

### The Lady:

Slim, dark haired beautiful lady with a great chirpy cockney personality. Website pictures are great advertisement for her.

### The Story:

Went for a dom session with Lola in the vip room.

Lola kissed really well before making me lie face down on the floor and worship her beautiful feet.

All the time I was receiving strokes from her riding crop.

Made to lie on the bed and , with one hand tied to the pole dancing pole, made to play with myself.

Unfortunately as she stripped naked, I was unable to hold back and so missed the chance for sex with this lovely lady.

Having cleaned up we still had a few minutes chatting and kissing so no rush from Lola.

I guess s return visit is called for;!!
