The Lady:

Gina is a mature lady but has a finely honed body due to working out. Large natural breasts, slim physique with a pert bum all revealed on her website.

The Story:

I have seen Gina a number of times over a few years.

Gina first met at door in leather look mini skirt and lingerie leaving little to the imagination. She lead me upstairs, what a sight, to her therapy room which included a massage table and double bed.

I did not take advantage of bondage service but experienced all other services advertised except toys which I rejected much preferring the touch of skin on skin.

She is an ace naturist masseuse with GFE.

Then to the double bed where I went to heaven and I brought her to orgasm with my tongue.

Great therapist and conversationalist and I had a thoroughly wonderful time.

Her website has been totally revamped and the pictures shown are worth a look and are representative of her now.
