The Premises:

As described in numerous reports, including my earlier one for the same day.

The Lady:

I thought Rachael was stunning. If I had a picture in my mind's eye of what a fantasy "MILF" would look like (no disrespect intended), Rachael was the picture brought to life, and when she entered the room I found myself reverting from my late fifties to my adolescent self.

The Story:

I suppose you can't have everything, at least not in a single hour. Rachael was chatty and we had some laughs over the course of our session, which added to the overall experience. However, it detracted a bit as well because I can only concentrate on one thing at a time (typical male, maybe?) so it resulted in the physical experience being less intense than it otherwise might have been.

Having said that, I really did enjoy my time with Rachael. She is very skilled, she was comfortable with me touching her - and she is lovely to touch, and I felt in her a strong sense of dedication towards my own pleasure. Funds and opportunity permitting, I would be happy to see Rachael again, but this time for a longer session. In the meantime I strongly recommend her.

I have only seen four ladies at Ego so far, and the experiences have all been different. But they have all been more than good (in one case sublime), so if you are reading this and thinking of a first visit to Ego, my suggestion is, go for it!
