### The Premises:

Modern looking flat located among a parade of shops about 2 minutes from the centre

### The Lady:

Certainly the same as in her profile and most definitely my type. Would describe as 'Amazonian' but in a good way!

### The Story:

This ranks very highly in my experiences. Melissa seems to enjoy her job and does absolutely everything she can to please. Only negative is a slight language issue but she more than made up for it with her actions.

I am not going to go into detail here as what happened is for my memory but let me just say that she knows what she is doing and will simply blow you away

I rarely go back to the same lady but am already planning my next visit.
